

**RUDOLPH
MATANGA**
FOR SECRETARY GENERAL

MANIFESTO

WHO AM I

My name is Rudolph Tawanda Matanga a 1.2 student studying agriculture and natural resources management.

I am running for the office of secretary general in the 2021 Student Representative Council elections.

WHY ME

I believe I have a wide range of capabilities and attributes needed for one to successfully fulfill their duties to the best of their abilities.

ATTRIBUTES THAT I POSSESS

1

Working smart

I believe everyone in the running for a position in the student representative council is a hard worker but in addition to that I work smart, I believe in great time management and knowing ones strengths and weaknesses. I am not too proud to ask for help
“team work makes the dream work”

3

Patience

Being key in dealing with people, patients in understanding people and getting through to resolutions. Understanding the benefits in the long run. Making the best decision isn't instantaneous, we should all remember Rome was not built in a day and neither will mine

2

Communication

Listening well to the student body at large is a requirement of any good leader, no one knows more than the people on the ground. Not only will I listen to you but I will communicate clearly back to the student body.

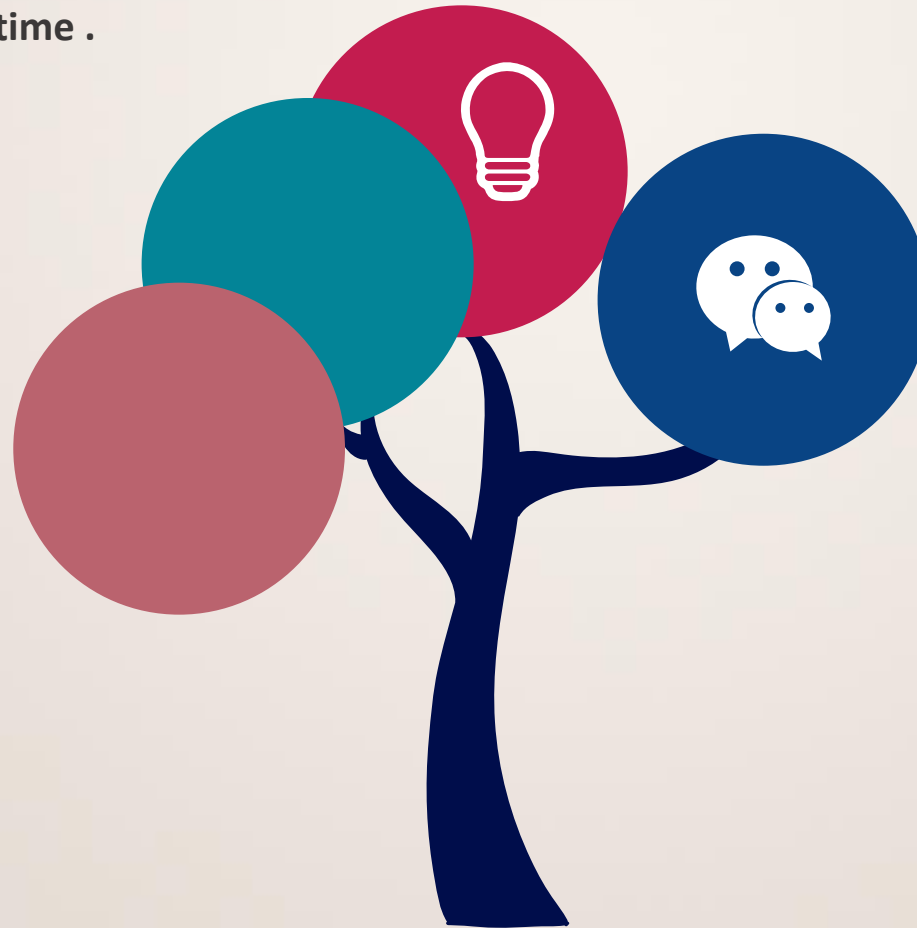

What I intend to achieve

Improved transport system

- I intend to give more frequent transport to and from campus making it easier to leave and get to campus on a student's own time .

Doing my part

- As secretary general the responsibilities of the office are crucial to the smooth running of a student representative council and I intend to go above and beyond what is required of such a post to ensure the best outcome of everything the SRC sets out to do.

Develop clubs and communities

- Clubs and communities are vital to life at Africa university and I intend to introduce more clubs for students to interact more in.
- Increase social opportunities from different club activities.
- I intend to develop communities around the school as they deserve to be taken seriously.

Transparency in communication

- The student body needs a clear and solid communication platform to relay suggestions, concerns and needs.
- The student body need to know what happens in the SRC with clear and constant communication.
